“THE NEXT STEP” FILMING AT SOUTHBANK

Some of our extension students were lucky enough to join the cast of “The Next Step” and “Hanging With Adam and Ash” from the Disney Channel last month. The children had a great day and the producers were very impressed with their ability to learn their lines so quickly and ad-lib for the word on the street interviews.

“UNTAPPED” PERFORMANCE

Congratulations to our past JAL Students Owain Kennair and Kieran Heilbronn for their amazing performance in the tap show “Untapped”. We loved it!!

I would like the children to arrive approx. 15 minutes prior to class to warm up as we will not have time at the beginning of the lesson to do this. On Day 2 and 3, children are invited to come to the studio early to watch the class prior or after theirs as I have realized how much benefit and inspiration children receive from watching children a little older than themselves. Parents can watch on the last day (Tuesday). **Students should wear their exam uniform on this day.**

Extra ballet exam classes

As we did in previous years, those who are doing a ballet exam and would like a little extra practice please come along to the following Saturday classes. You do not need to book in just come along if available. Note: these classes are optional however **strongly** encouraged.

PRIVATE Ballet lessons

If you are interested in a private lesson for your child please see the studio office to arrange a time slot. Cost is \$40 per ½ hour and \$60 per 45 minutes. Cash payment is to be made directly to teacher on the day please. Private lessons are great to improve self confidence. If you put your name down, please give the office at least 24 hours notice for cancellation to avoid paying for a class unattended. Thank you.

PARKING REGULATIONS HAVE CHANGED

Please be aware the parking regulations have changed on Devon Street near the Kitchen shop. It is now a **LOADING ZONE** for Commercial Vehicles between 8:30 and 5:30 Mon to Fri and Sat from 8:30 to 12. The area between the studio and the loading zone is ½ **hour** parking only, with ¼ **hour** parking in front of the Newsagent.

JAZZ AND TAP EXAMS

If you are doing jazz and tap classes, an invite will be sent out in the last week of Term 2 to do an exam in the early weeks of Term 4. To do a jazz exam, your child must also be doing a ballet class, if they are in any grade higher than Jazz 1. For Jazz1, Junior Jazz and Prejunior Jazz they just need to do their jazz class. The ballet class helps students with poise, core strength and technique, making a better dancer over all. For tap, only the tap class is required, however again ballet helps with the poise and performance.

CSTD brought out a new tap syllabus this year. You will see it is called Level 1... tap. The old names which are used on the timetable are in brackets. We will move to the new names in the near future.

Students will also be required to attend a workshop to cement all their learning. This year, we are trying something different. Instead of having 4 huge days in the school holidays, we are going to do a weekend at the end of Term 3, and then the last weekend of the school holidays. This is because so many people go away during the September holidays. The cost of these classes will be included in your exam fees.

Parents are invited to the final day (Monday 2nd October) so the children can show you what they have been working on. Uniforms will be provided by JAL on the exam day with a small hire charge included in your exam entry.

The Jazz and Tap workshops at the studio are on Saturday and Sunday – 9th & 10th September; Sunday & Monday – 1st & 2nd October– JAL Studio

PRE-SCHOOL CONCERT

Once again this year we have decided to separate the Pre-school class children from our main end of year concert. We have tried this now for a few years and the pre-schoolers (and their parents) love it, as it is not so overwhelming for their first time on stage. We hold two concerts but your child will be in just one.

Tinies and above will continue to be in our main concert at Logan Entertainment Centre.

If you have a pre-schooler please keep this date free – **Sunday 26th November 2017**

Venue – Yeronga High School Auditorium. **Time** – approx 1 ½ hours between 9 am to 1pm. (TBA)
