## COSTUME CHECK AND PHOTO DAY (8<sup>TH</sup> & 9<sup>TH</sup> DECEMBER) VENUE – OUR STUDIO

On these days your child will be required to arrive at the studio fully dressed, with all costumes, accessories, hair and makeup. Please pack plenty of bobby pins and safety pins! Several age groups have already received information about costumes. A full list of costumes with shoes and hair requirements will be distributed very soon. Please organise as soon as possible after you get your note. **Costumes must be covered on concert day if dancer is not in dressing rooms or back stage – before AND after performance.**

It is important that your child attends on these days, as this is the only time allocated for a final check on costumes. Please do not arrive late on this day as we must keep to schedule. If you are not interested in solo photos, you are only required to attend the group costume check time. Photos will be on sale at the concert but there is no pressure to buy them.

**Please arrive 15 mins before photo time, fully dressed in your first costume on the lists below.**
